

Landscape Gardener and Landscaper Required

Company: Corzac Pty Ltd t/a 1300 4 Gardening

Location: Brisbane, QLD

Industry: Gardening & Landscaping (Trades & Services)

Employment Type: Casual with Full-time hours with possible Full-time position.

About Us

At 1300 4 Gardening, operated by Corzac Pty Ltd, we take pride in being a trusted and award-winning provider of high-quality gardening and landscaping services. Catering to both residential and commercial clients, we are not your average "mowing" service. Our expertise spans garden maintenance, soft landscaping, and hardscape construction. We hold a QBCC license ([15271847](#)) and are committed to delivering exceptional customer service and craftsmanship.

As a forward-thinking, "No Paper" company, we use innovative technology to streamline operations. Our team is equipped with the latest tools, vehicles, and phone-based apps to ensure seamless communication and efficient service delivery.

About the Role

We are expanding our team and seeking motivated Landscape Gardeners and Landscapers to join us. This role offers opportunities for individuals with varying levels of experience:

- **Entry-Level:** Perfect for those looking to start a career in gardening and landscaping. Full training and support will be provided, along with opportunities for apprenticeships.
- **Intermediate Experience:** For those with some hands-on experience in landscaping, gardening, or similar fields, this role provides room for growth and further skills development.
- **Experienced Professionals:** If you have advanced skills in landscaping, garden maintenance, or construction, this is your chance to work with an award-winning team and gain recognition in the industry.

We welcome individuals who demonstrate strong work ethics, integrity, and a positive attitude. For entry-level candidates, this is an excellent opportunity to begin a rewarding career, while experienced candidates will appreciate the supportive environment and opportunities for advancement.

What We Offer

We value our employees and offer a range of benefits, including:

- **Job Security:** Both casual and full-time opportunities available to suit your needs
- **Flexible Work Hours:** Early start and finish times, allowing for a better work-life balance
- **Competitive Pay:** Industry-leading hourly rates, based on experience and skill level
- **Career Growth:** Gain qualifications in Horticulture and Landscape Construction, along with access to regular training and skills development events

- **Supportive Work Environment:** Be part of a friendly, team-oriented workplace that values loyalty and customer satisfaction

Key Responsibilities

Your day-to-day tasks will vary depending on experience, but may include:

- **General Garden Maintenance:** Mowing, weeding, whipper snipping, hedging, pruning, and planting
- **Soft Landscaping:** Turfing, mulching, garden bed preparation, and planting design
- **Hard Landscaping:** Paving, decking, fencing, retaining wall construction, and other structural projects
- **Irrigation Systems:** Installation, repair, and maintenance of irrigation systems
- **Turf Management:** Comprehensive lawn care, including aerating, fertilizing, and weed control
- **Customer Interaction:** Providing exceptional service and ensuring client satisfaction on all projects

What We're Looking For

We're searching for individuals who meet the following criteria:

- A genuine passion for horticulture, landscaping, and the outdoors
- Strong work ethic, pride in your work, and a willingness to learn and improve
- Physical fitness and the ability to perform manual labor in varying weather conditions
- Early morning availability and the ability to stick to project schedules
- Reliable transport and a valid driver's license
- Strong communication, problem-solving, and teamwork skills
- Adherence to workplace health and safety protocols

Additional Advantages:

- Experience in gardening, landscaping, or construction (preferred but not essential for entry-level applicants)
- Blue Card and/or police check
- Formal qualifications in horticulture, landscape construction, or related fields
- Familiarity with irrigation systems or power tools

Why Join Us?

At 1300 4 Gardening, we believe in nurturing talent and helping our team members achieve their full potential. Whether you're starting out or looking to further your career, we provide the tools, training, and opportunities you need to thrive.

You'll be part of a company that values loyalty, innovation, and excellence, all while enjoying competitive pay and the chance to work on a variety of exciting projects.
